Mr Mark Carter
Recruitment Vision Franchisee
ASHBY - WESTERN AUSTRALIA

To Whom,

It gives me great pleasure to put pen to paper to write this testimonial for Recruitment Vision and Wayne Slack and his team. I have been involved with Recruitment Vision for the last two years as a Franchisee in Western Australia.

Wayne and I share the same ethos and values when it comes to recruitment and that is to provide the best possible service to our clients at a fair and reasonable price with our goal to become the recruiter of choice from our clients and prospective clients.

I am very happy with my relationship with the support and in particular with Wayne Slack , who acts as my mentor and business coach and also holds me accountable to do what I say I am going to do, when I say I am going to do it. The back office support from Michelle, Brooke and Christine in the service department is also exceptional.

Recruitment Vision has provided me with an easy to use system to get my business going and provides me with the support I need to maintain quality contact with my clients and candidates.

We looked at several recruitment franchise models before settling on the Recruitment Vision model as the one that best suited our needs and we have no regrets at all.

Yours sincerely,

Mark Carter
